Night Care Assistant

Description

Job description

Simple CV application, 1-3 days to interview via Teams or Zoom or face to face...

All candidates must be fully eligible to live and work in the UK, this role does not offer Visa Sponsorship or Visa Switch.

Recruiting for 3 vacancies.

Salary: £13 to £14.50 per hour night shifts only, start as soon as possible.

Night Care Assistant – Experienced or Newly Qualified Nurses (Active NMC Pin)

Contract type: Permanent & Full time, Shaftesbury

Care Quality Commission (CQC): Good CQC – Our client is a highly reputable nursing home with a wide range of sites across the country.

About the Role:

Our client is a reputable home care agency serving our local community, seeks compassionate and experienced individuals to join our team. With a track record of excellence and steady expansion, our client is now recruiting for dedicated night caregivers. As client travel is integral to the role, applicants must possess a valid UK driver's license (note: company vehicles are available).

Our client offers ample travel time for caregivers between clients, compensating for travel time, and reimbursing mileage for personal vehicles. Various shift options are available, including flexibility to accommodate school hours and other commitments.

Our client is a family-operated business, and is praised on delivering exceptional care standards. They invest in training and provide continuous support to ensure professional development. Staff accommodation options are also available for consideration.

You must hold **6 months minimum** of day or night care experience in similar home care setting to be accepted.

A **valid car driving license** is vital to this role, as you can have access to both company vehicle or be compensated for your mileage.

All candidates must be fully eligible to live and work in the UK, this role does not offer Visa Sponsorship or Visa Switch.
