Community Nurse: £19 Per Hour

Description

Job description

Community Nurse: Full Time / Part Time – Two Positions

(36 hours Full Time, there is also a second part time role of 15-to-30 hour per week position if you're interested)

Are you passionate about community nursing?

Pharmakia is now recruiting for a highly regarded charitable community nursing organisation. Our client is focused on providing each patient with its own unique personalised assistance.

You will oversee shifts and manage support workers,

Working in a welcoming nursing home, you'll enjoy flexibility with access to shifts that suit your schedule, including sleep-ins (**Paid Per Sleep In**). You'll play a crucial role in inspiring the team to ensure the people we support experience the best quality of life.

Requirements:

- Nursing qualification with current NMC registration (RNLD, RMN, or RGN)
- Confidence and composure under pressure
- Experience working with people with a learning disability
- Flexibility, openness to challenges, and innovative approach
- Clinical expertise or willingness to learn and undertake relevant clinical skills
- Ability to drive, with a willingness to use your own transport on Brandon business (desirable)

Responsibilities:

- Provide specialist nursing and be a role model in delivering direct support to individuals with a learning disability.
- Organize the day-to-day work of the support team, ensuring individuals receive the right support at the agreed-upon level and time.
- Support individuals in achieving their personal outcomes related to managing daily life.
- Carry out nursing procedures following local or district guidelines.
- Communicate effectively with team members, families, and stakeholders to ensure continuity of care.
- Collaborate with the nursing team to achieve the best outcomes for those supported.
